The Honorable Board of Supervisors

SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**ACCEPT A GRANT AWARD FROM THE OFFICE OF TRAFFIC SAFETY
FOR DRIVING UNDER THE INFLUENCE ENFORCEMENT PROGRAM
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Authorize the Sheriff of Los Angeles County (County) to sign and accept a grant award in the amount of \$1,250,000 from the State of California, Office of Traffic Safety (OTS). This funding will assist with traffic enforcement within the County jurisdiction, specifically the 40 contract cities and target areas identified as having greater traffic safety issues.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the attached Resolution (Attachment 1) and authorize the Sheriff, or his designee, to accept a grant award in the amount of \$1,250,000 from OTS for the Los Angeles County Sheriff's Department's (Department) Risk Management Bureau to continue their Driving Under the Influence (DUI) Enforcement Program primarily focusing on traffic safety enforcement and education in the Department's contract cities and target areas identified as having greater traffic safety issues.
2. Authorize the Sheriff to sign and execute the grant award documents and all future amendments, modifications, extensions, and augmentations to said grant when necessary.

A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On May 13, 2009, OTS sent notification to the Department advising that the Department's Risk Management Bureau was selected to receive grant funding in the amount of \$1,250,000 to continue to develop and implement its DUI Enforcement Program. The main goals of the program will be to reduce alcohol-involved injury and fatal traffic collisions, increase traffic safety awareness, and provide traffic safety education.

The DUI Enforcement Program will include a focus on high school students and topics related to driving under the influence and illegal street racing. Additionally, monthly Driving Under the Influence/Driver's License (DUI/DL) checkpoints, saturation patrols, stakeout operations, court sting operations, and warrant service patrols will be conducted. The program will consist of three phases, including program preparation, program development, and data gathering and reporting.

Implementation of Strategic Plan Goals

The DUI Enforcement Program will meet the County's Strategic Plan, Goal 5, Public Safety, by providing a comprehensive traffic safety program to the 40 contract cities and target areas identified as having greater traffic safety issues within the County.

FISCAL IMPACT/FINANCING

The \$1,250,000 in grant funding from OTS will allow the Department to continue the DUI Enforcement Program through September 30, 2010. There is no match requirement.

Funding for this program has been included in the Department's Fiscal Year 2009-10 budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution has been approved as to form by County Counsel. The grant is effective October 1, 2009, through September 30, 2010. Throughout the State, alcohol is a major contributor to fatal and injury traffic collisions. According to the latest 2007 Statewide Integrated Traffic Records System, which is compiled by the California Highway Patrol, alcohol-involved fatal collisions increased 8.4 percent in the past five years. However, alcohol-related fatal collisions decreased by 2.4 percent since 2006 due to the resources, education, and enforcement programs implemented by the previous grant.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

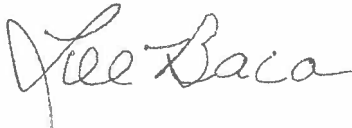

In addition to DUI/DL checkpoints, saturation patrols, stakeout operations, court sting operations, and warrant services, this grant will also have a positive impact on current services by focusing and presenting the DUI Enforcement Program to high school students. Due to State and Federal school curriculum requirements and time limitations, training programs geared toward high school students are limited.

This Board letter was forwarded to the District Attorney's Office, the Public Defender's Office, and the Alternate Public Defender's Office for review. Prior to the Board filing, no impact statements were received from those departments.

CONCLUSION

Upon your Board approval, please instruct the Executive Office to return two individually certified copies of the Board-adopted letter and two original signed Resolutions to the Department's Grants Unit.

Sincerely,

A handwritten signature in cursive script that reads "Leroy D. Baca". The signature is written in dark ink and is positioned above the printed name and title.
